THESEUS AND THE MINOTAUR. The legend of Theseus and the Minotaur has been told in many ways. In this version, Theseus, the hero, is shown in his youth, and the Minotaur is shown as a hideous, horned creature. The scene is set in a dark, stone-walled labyrinth.

# PANHELLENIC COUNCIL

Judy Boring  
Secretary

Janet Smith  
President

Judy Swartz  
Treasurer

National Panhellenic Council dates from 1902 when the first interfraternity group for women's fraternities was established in Chicago Illinois. The purpose of the 1902 meeting was to consider the question of "rushing and pledging". From this first meeting grew Panhellenic Council, the first organization on university campuses. The word "Panhellenic" means all-Greek, thus the Panhellenic association is the organization for all Greek letter

sorority women.

Panhellenic was officially established on the WCC campus in the Fall of 1966. Mr. Frank Maturo and Miss Bobbie Jo Wilson were the initiators of the organization here on campus. Janet Smith of Sigma Kappa was elected first President and Bunny Benton of Delta Zeta was elected first Vice-President. The basic purpose of Panhellenic is to promote inter-sorority cooperation and coordination.

# INTERFRATERNITY COUNCIL

Tony Hodge  
Vice-President

Berry Johnson  
President

Charles Sutton  
Secretary

The National Interfraternity Council is an organization composed of members at practically all universities and colleges in the United States. The purposes of the Council are to encourage interest in scholarship, athletics and intellectual attainment; to promote cordial relationships among the member fraternities by providing a common medium through which to act; to promote the general welfare of the college by cooperating with the faculty and administration; to establish rules governing matters of general interfraternity activity; and to provide an organized means

for integrating fraternity life with general student life on campus.

The local chapter of the Interfraternity Council was founded during the Fall of 1966, through the combined efforts of all the fraternities on campus. Baxter Wood, Frank Maturo and Dr. Doug Davis were very helpful in the organization of the chapter. Berry Johnson of Delta Sigma Phi was elected the first president of the Council with Tony Hodge of Kappa Alpha Order as Vice-President.

# Clubs and Organizations

**Bill Upchurch, President of Student Body**

The Student Body President, Bill Upchurch, by virtue of his office, presides at all student assemblies, at Freshman Class meetings until a president has been elected, serves on the Student-Faculty Judiciary Committee, and is a member of various other committees, both student and faculty, concerning student affairs. It is also his duty to serve as a means of communication between the student body and the faculty and administration. His efforts, along with those of his associates, keep the student body represented in the overall college operation.

## Government

The Senate in action.

The foremost duty of the Vice-President, Barry Steagall, is that of serving as President of the Student Senate. Barry has the responsibility of seeing that the Student Senate Committees function properly. Aside from this important duty, he serves on the Executive Committee, Student-Faculty Judiciary Committee, College Center Board, Standards Committee, Health, Safety, and Security Committee, and the Student Appropriations Committee.

Barry Steagall  
Vice-President

## Student Body Officers

Janet Smith, Secretary

Much time and efforts is put into the job of Student Government Secretary, Janet Smith. The secretary is responsible not only for compiling Senate minutes, but also as an assistant to the president and vice-president of the Student Body in handling correspondence of the Student Government. In addition to these duties, she serves on the Student Awareness Committee, Student Activities Committee, and the Executive Committee.

# Nomad

Eunice Clark, Rose Hooper, Ginger Lathan, and Max Hopper, Editor.

The NOMAD, the student literary magazine, is always seeking new horizons — new horizons in new types and quality of creative writing produced by the students on this campus. This has become tradition at Western Carolina College. The NOMAD seeks to bring the creative efforts of the students to the student body.

Religion

Members of the Inter-Faith Council are Nancy Partusch, Mildred Russell, Becky Reger, Cathy Lowder; Phil Goodgame, Don Bullock, Charles Britto, Hugh Boulden, Frank Mayo.

## Inter-Faith Council

The purpose of the Inter-Faith Council is to serve as a co-ordinator for all religious bodies on the W. C. C. campus, giving each an opportunity to voice his opinion. It encourages all students to participate in a religious organization and to help form other religious groups.

Officers for 1966-67 are Mildred Russell, vice-president; Hugh Boulden, president; Cathy Lowder, secretary-treasurer.

Pictured above are just a few members of one of the largest organizations on campus. This club, which has over 100 members, has been very active in recent years.

The above shot is typical of the start of a W.C.C. football season. The excitement rouses as the team comes onto the field amid the playing of the band, the cheering of the cheerleaders, and the playful antics of the "cats."

Thus began the 1966 season for the Catamounts—a season to be filled with many exciting moments and a few disappointing ones. Who can ever forget the 62-0 victory over Mars Hill; the heartbreaking loss to Appalachian by a mere 2 points in the last seconds of play; the rain at Home-Coming or the fog at L. R.? These moments will live on in the hearts of Western supporters for seasons to come.

## Season Begins In Victory

WESTERN	20	WESTERN	33
CARSON-NEWMAN	13	APPALACHIAN	35

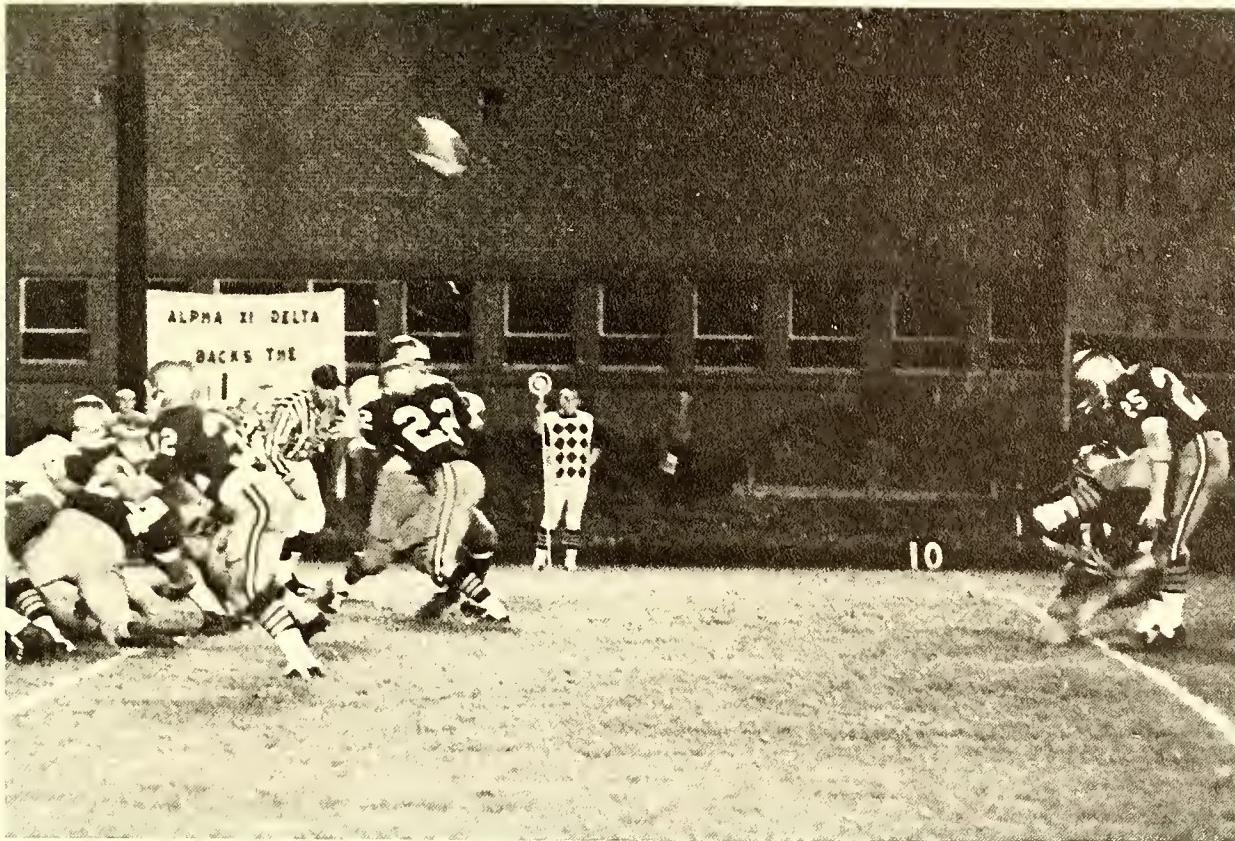

The Catamounts opened their 1966 football season with an impressive 20 to 13 victory over Carson-Newman. Led by backs David Lomax and Jim Williams, the Cat offense ran through the Eagles continuously, allowing Dan Robinson's boys to take a 20-0 lead to the dressing room.

Lomax scored two T.D.'s and Williams added the third on a broken pass play. Keith Elliot and Ronnie Scott led the Cat defensive attack, giving the defensive team deserved respect for future games.

A gallant second half fell short in the Cat's home opener as Appalachian defeated Western 35-33.

With the score Appalachian 14 and Western 13 late in the first half it appeared to be an exciting contest. But the Mountaineers turned the tables and scored three quick touchdowns before going into the dressing room with a 35-13 lead.

Western came out fighting in the second half and closed the margin to 35-33 before failing on a two-point conversion attempt in the closing seconds of play.

**WESTERN**

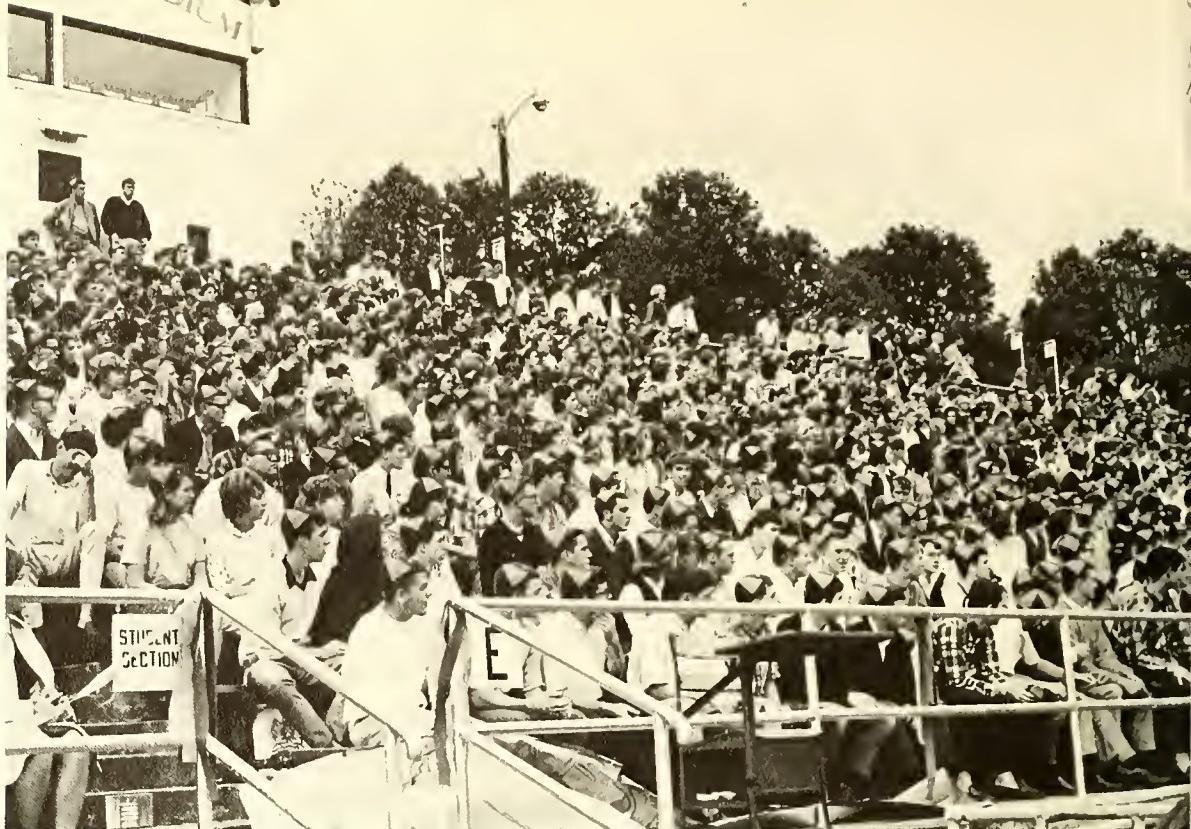

**17**

**GUILFORD**

**15**

A tough Western defense saved a hard-fought victory over the Quakers of Guilford College. An attempted fieldgoal by Guilford with only 15 seconds on the clock was blocked by one of the Cat defenders.

Jim Williams continued to lead the fine Cat offensive attack as he completed 16 of 30 attempted passes for 217 yards. Western's first score came on a three yard toss from Williams to Roger Cox. John Batten scored from the one yard line later in the game. Ed Roddey's two P.A.T.'s and a 22 yard winning fieldgoal proved to decide the outcome of the game.

# HOMECOMING

"You're heading for a fall."

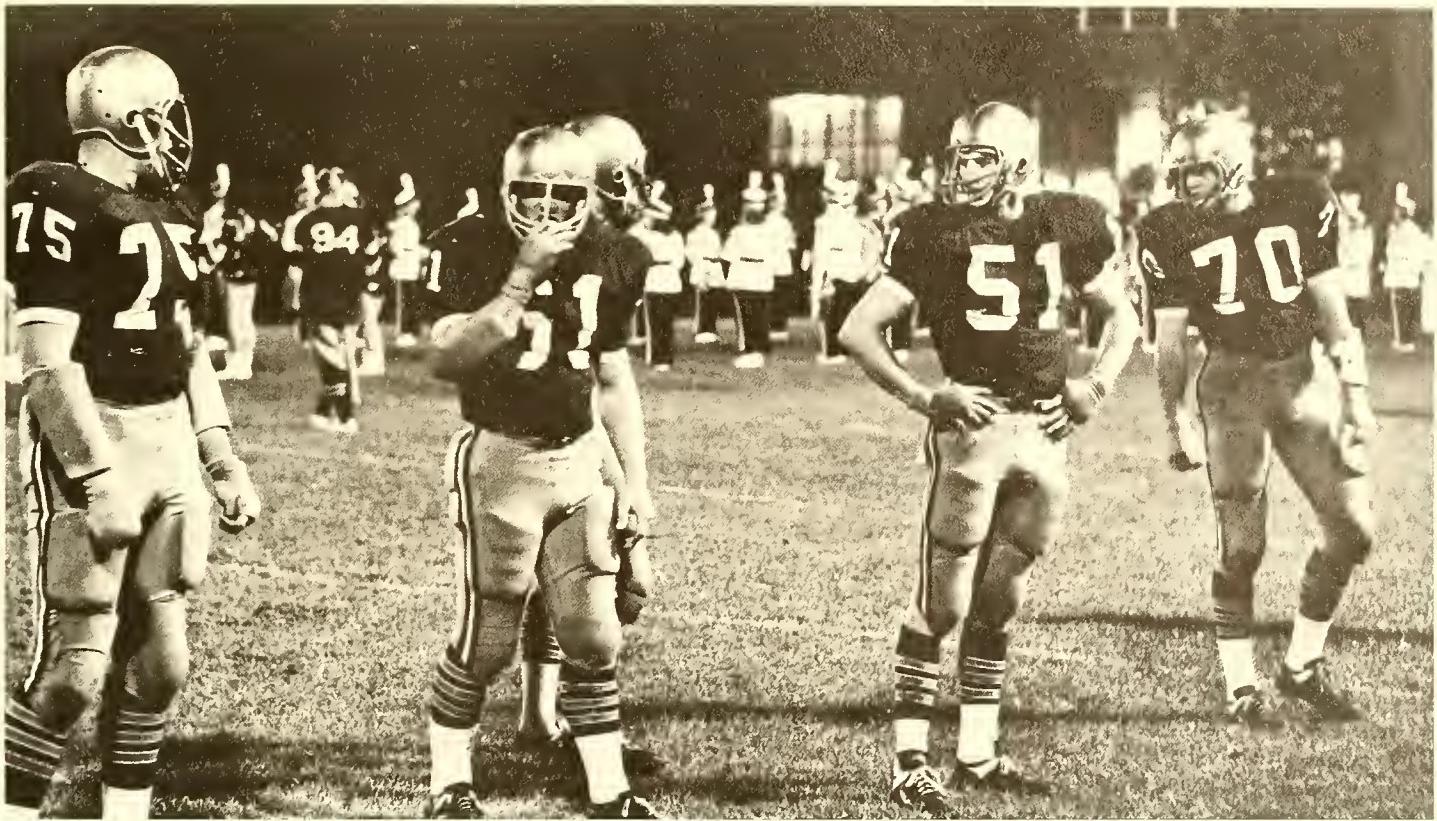

WESTERN

6

EMORY & HENRY

13

The statistics tended to make liars out of the score board as Western dominated in every department. The Cats had 19 first downs to 7 for E & H. Western was unable to score inside the 10 and this proved to be the story on that rainy homecoming night. The Cats drove to the one inch line with 1:35 remaining in the game only to lose the ball on downs. It rained, we lost, beannies were burned and the Cats were impressive.

"Who was it this time?"

"Cats hit hard!"

WESTERN

7

LENOIR-RHYNE

25

Fog filled Lenoir Rhyne Stadium as the Cats lost their third straight 25-7. An 84 yard touchdown pass from quarterback Jim Williams to Leroy Holden gave the Cats an early 7-0 lead in the first half. L.R.'s Sam Holcombe made it 7-6 on an 80 yard run with 30 seconds remaining in the first half.

Costly mistakes and the L. R. defense left the Catamounts scoreless the rest of the game. Lenoir Rhyne went on to fog the Cats 25-7.

WESTERN

34

ELON

0

Western bounced back from the loss to L.R. with a record breaking 34-0 victory over the Christians of Elon. Jim Williams broke the record for total passing yardage with 190 yards in the air while David Lomax chalked up 121 yards on the ground.

The defensive team of Western did a fine job in holding Elon scoreless and allowing only 61 yards rushing. Hats off to defensive men Don Powers, David Turnipseed, and Ronnie Scott in the impressive victory.

The Arm of Gold

WESTERN\*

62

MARS HILL

0

Western continued to show their finest playing of the season as they romped over the Lions of Mars Hill, 62-0. The Jim Williams led offense proved to be unstoppable in the air and on the ground.

In the second half Coach Robinson used his starters sparingly as Sophomore quarterback Don Dalton led the reserves on several scoring drives. On the other hand the Cat defense continued to show their fine ability by blanking the out-classed Lions for the Cats' second straight shutout.

WESTERN 40

NEWBERRY 0

Another record breaking performance by the Catamounts gave Western its third shutout in a row as they humbled Newberry College 40-0. This impressive victory gave Western a 5-4 won lost record for the season.

As usual the defense of Western played flawless ball as they held Newberry to six first downs. Jim Williams set 18 school and conference records while compiling 19 of 28 passes for 315 yards. Fullback David Lomax also got into the record books by chalking up 134 yards on the ground.

Some sleep, while others wait.

Another TD pass.

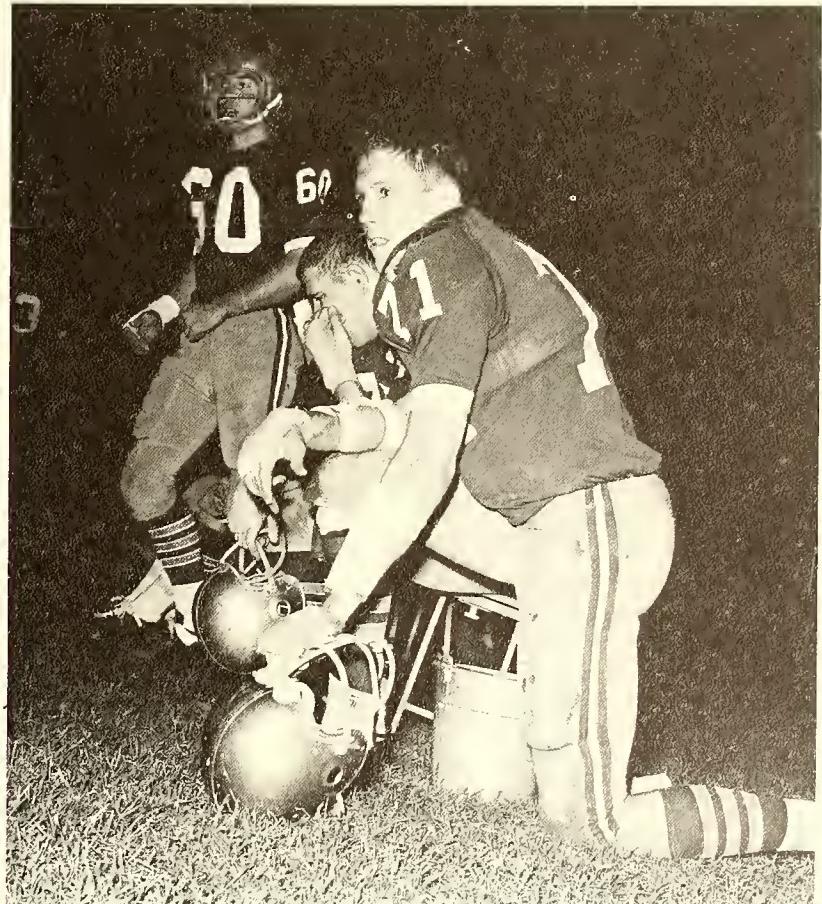

I think I'm losing my head.

<b>WESTERN</b>	<b>29</b>
<b>PRESBYTERIAN</b>	<b>42</b>

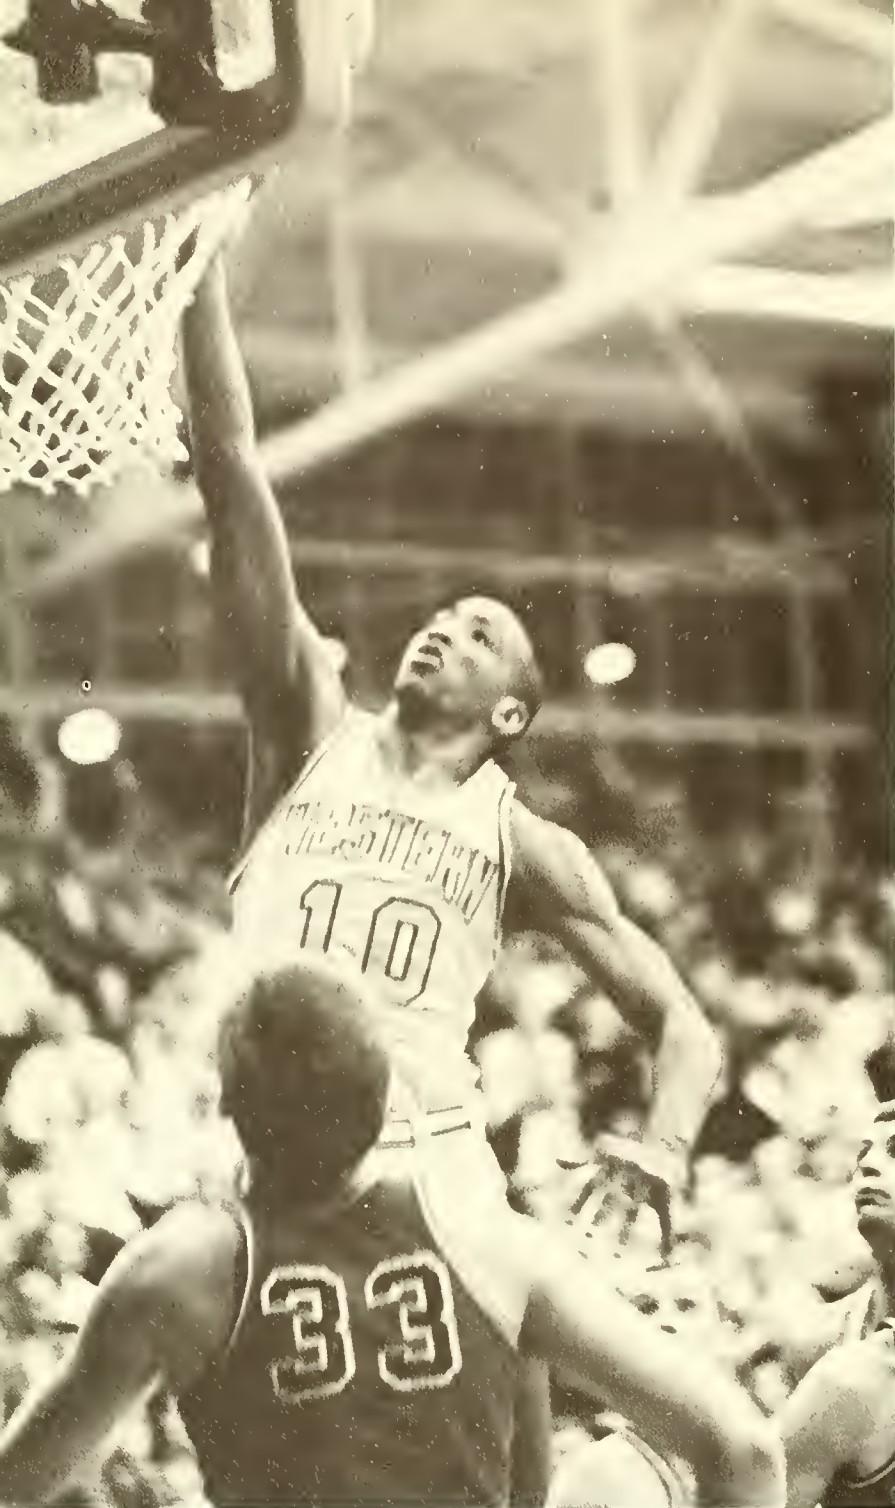

Western went down swinging in their final game of the 1966 season as they fell to Presbyterian 42-29.

Quarterback Jim Williams ended his fantastic career for the Catamounts by completing 19 passes for 257 yards, giving him a season total of 2,295 yards passing. David Lomax scored three of the four Western touchdowns on plunges of 4, 4, and 1 yards.

It was a sad way to end the season for the Cats but after a slow start they came back strong to three straight shutouts at midseason. The Cats are now looking forward to an even bigger and better season in 1967.

The end of another season.

Thompson sets up for a rebound.

Get those arms up!

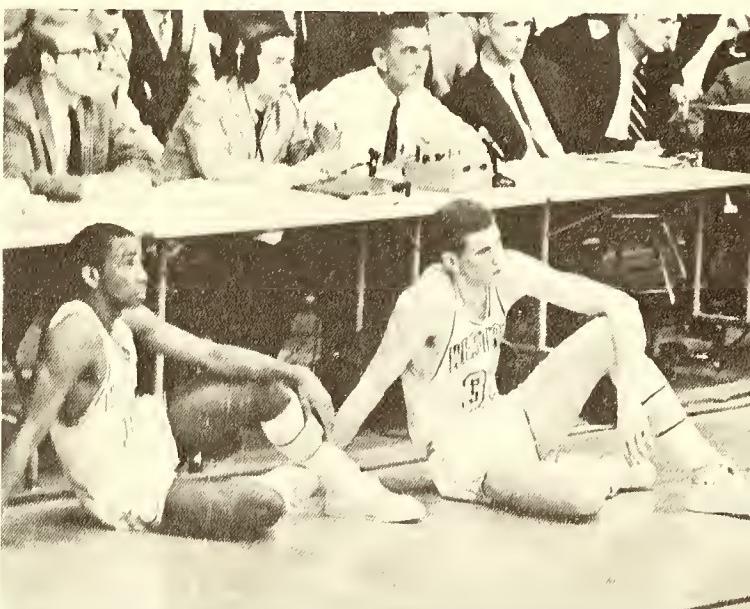

It was "one of those years" for the Catamount Cagers as Lady Luck seldom smiled. Despite a disappointing record of 15-13, Coach Jim Gudger termed the '66-'67 campaign successful when everything was taken into consideration.

The Catamounts started slow but were showing signs of shaping up after the holidays. Then Captain Bob Thompson re-injured a knee and superstar Henry Logan suffered a head injury as the Cats were still below the .500 mark in late January.

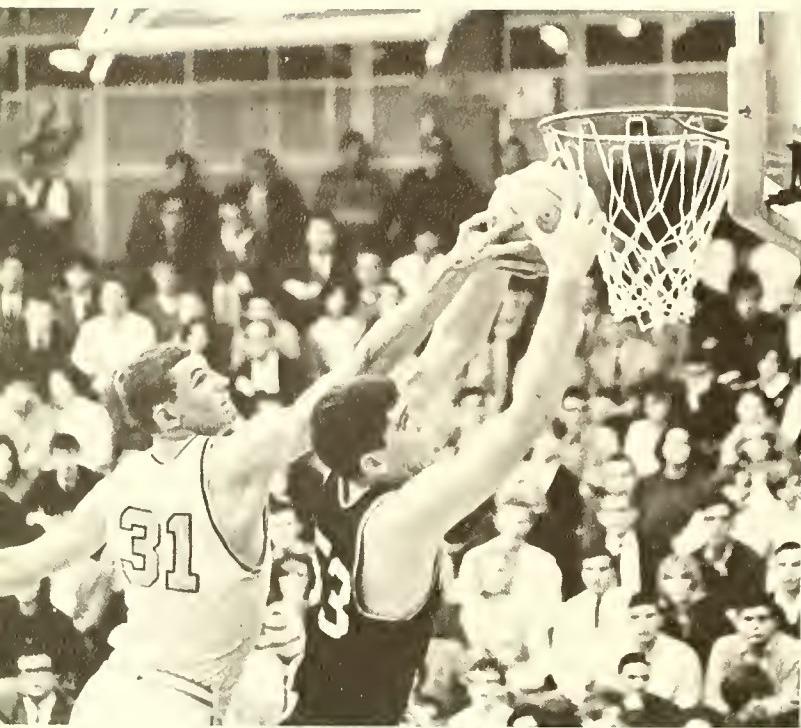

February saw Thompson and Logan return to the lineup as the Cats won eight of their last eleven to grab the fourth seeded spot for the conference tournament.

The highlights of the season centered around the heroics of Henry Logan. The six-foot junior went over the 2,000 point mark to become WCC's all-time leading scorer and set another conference mark in scoring 60 points in the Atlantic Christian game. Henry was again named to several post-season all-American teams.

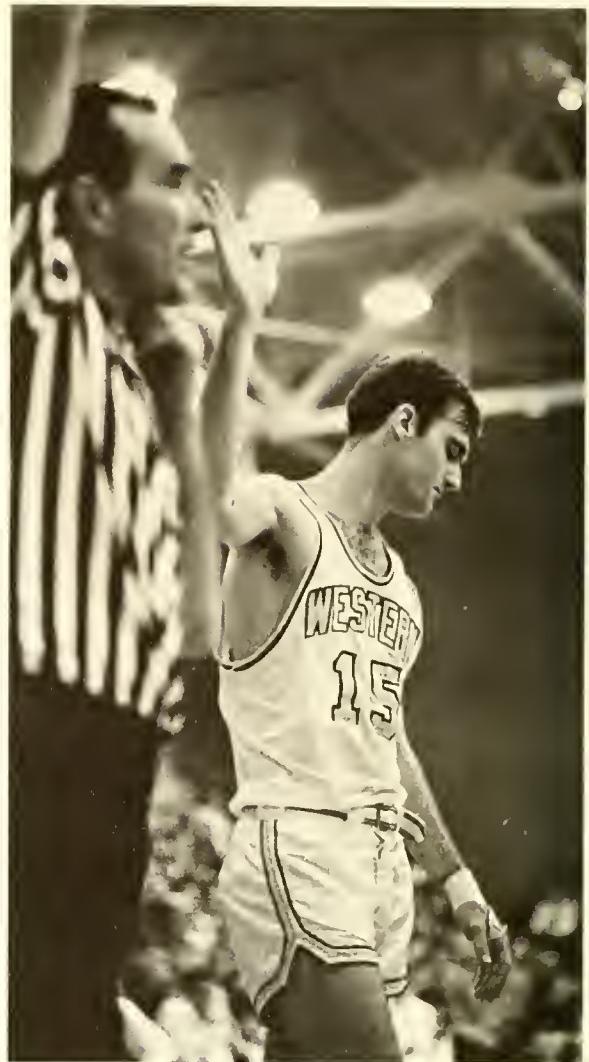

With stars like Logan, Thompson, pivot-man Greg Wittman, freshman Gene McConnell, and guard Randy Turbyfield returning next year, Coach Gudger, who won his 300th game this season, looks to the future.

Logan and Whitman waiting to enter the game.

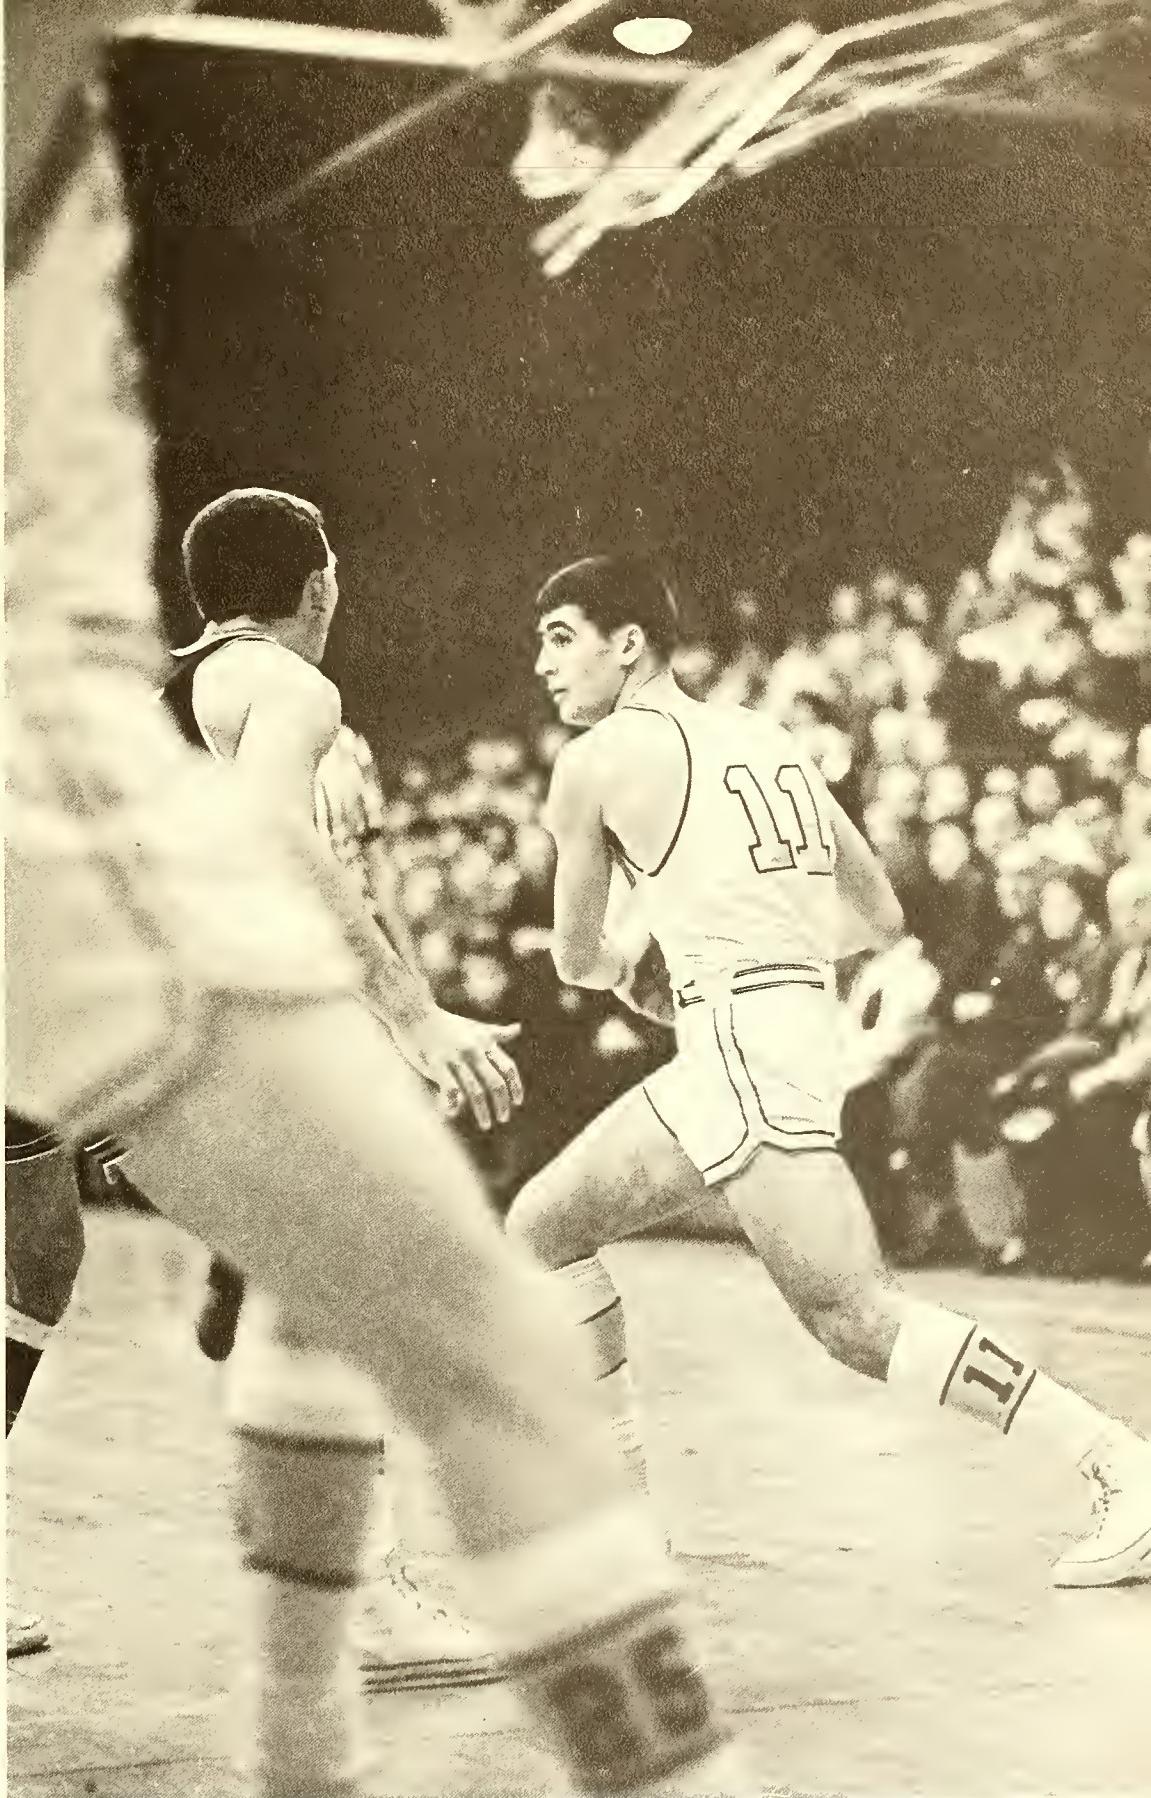

And they called a foul on that?

How many think I called that right?

168 You're not supposed to applaud for them, Gene.

O. K., Where's Henry?

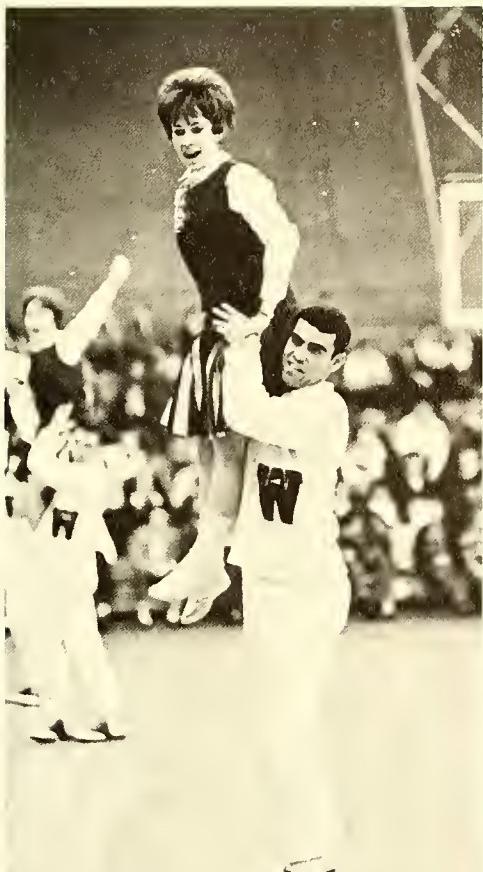

Bob, Wait a minute and I'll help you.

It's about time, he has been doing it all night. Ref.

Watch that hand!

What can I do?

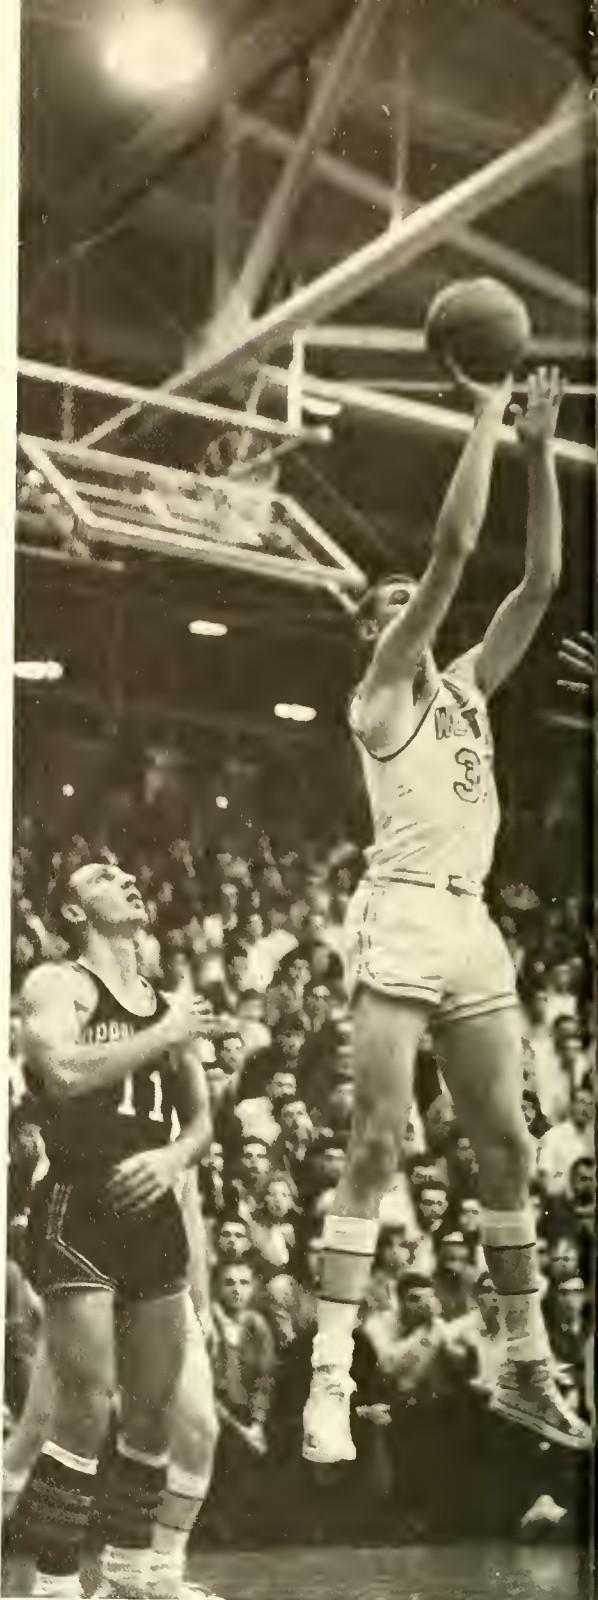

We're No. 1?

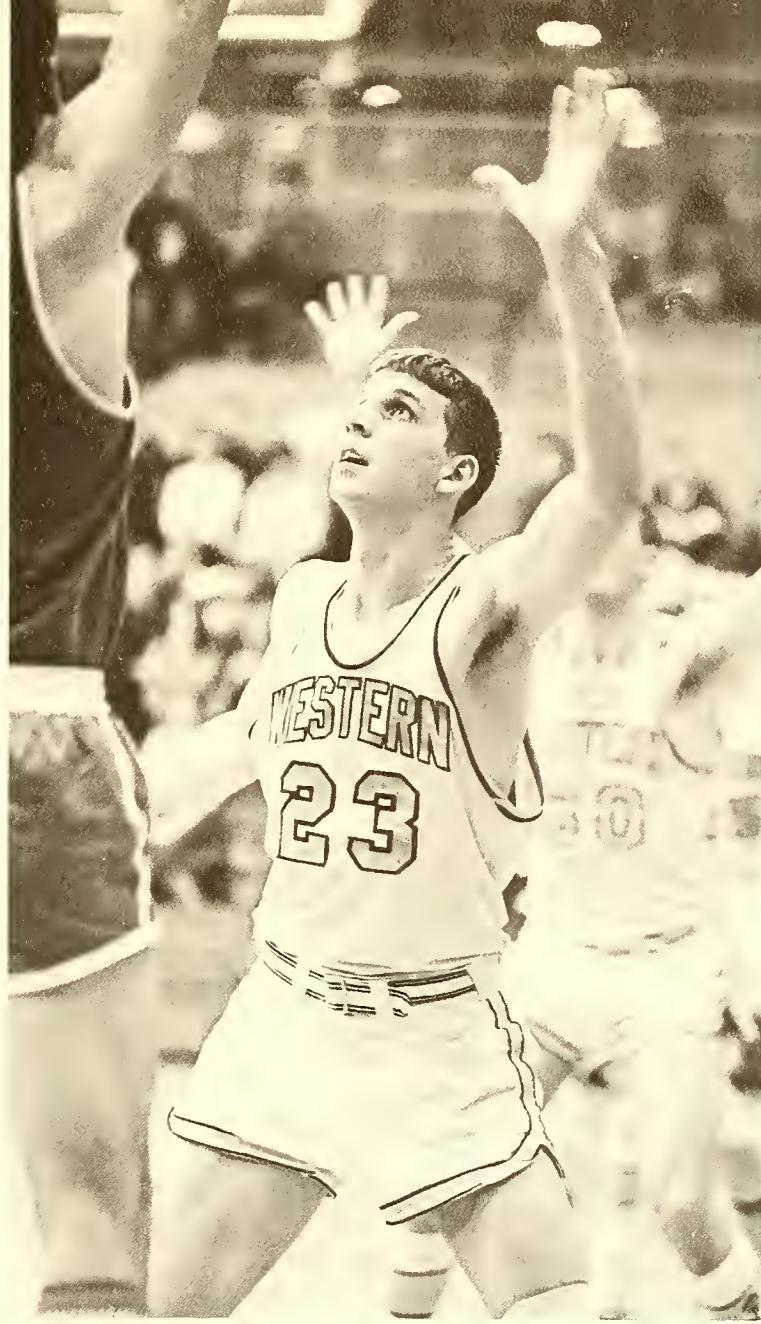

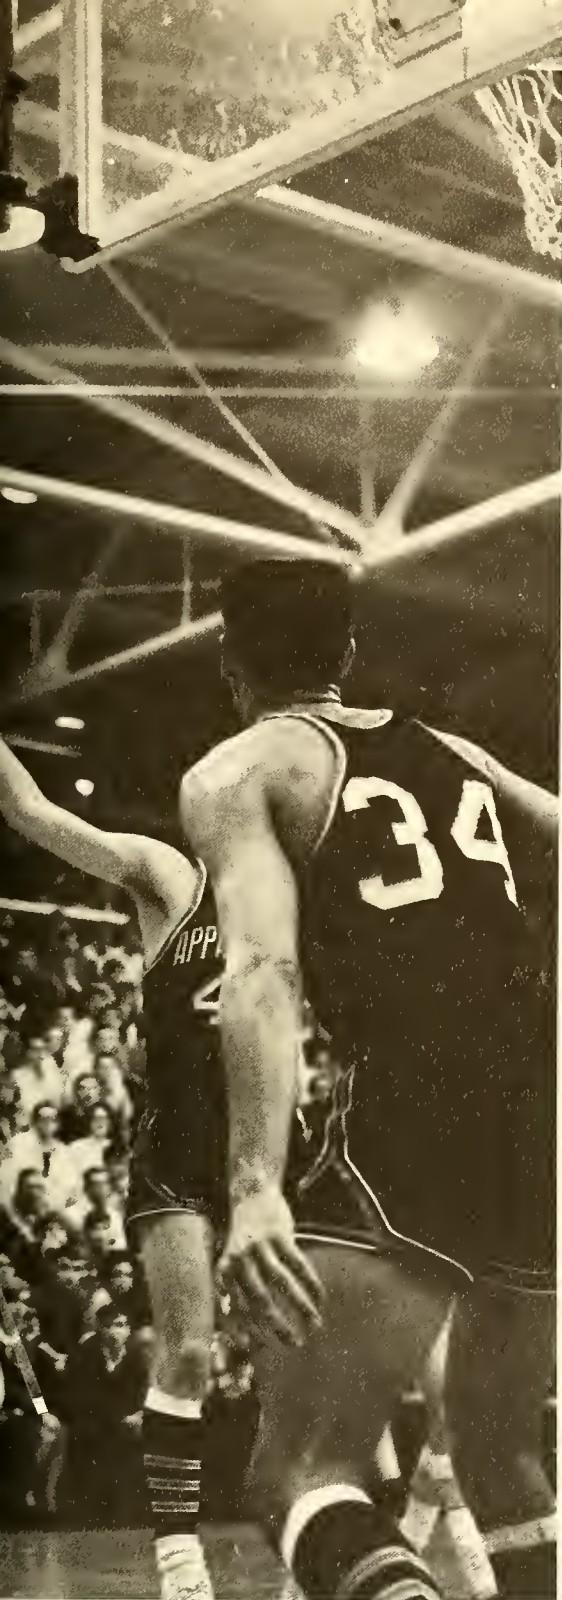

What do you think about the fifth girl on the third row.

School spirit?

Greg goes high for two.

Hello up there!

President Reid congratulates Gudger for his 300 victories.

Blackburn

Members of the 1966-67 Baseball team are Larry Stanbury, Barney Barnwell, Norris Mikeal, Larry Buchanan, Dean Knight, mgrs.; Ed Thompson, Red Thompson, Lynn Ford, Robert Newton, Leonard Morgan, Joe Fraser, Cecil Caldwell;

DeWayne Moore, Craig Fogleman, Jim Bullins, Tim Newsom, Mike Deal; Danny Jones, Lon Joyce, Steve Barkley, Roddey Edwards, Dennis Perry, Coach Ron Blackburn.

After tearing up the Carolinas Conference for three-fourths of last season, sore arms developed and the Cats had to settle for a second place finish and a fine 18-9 overall record.

Leading Coach Ron Blackburn's squad were pitchers Glenn Ivie, Rod Rogers, Jim Bullins, Tim Newsom, and Roddey Edwards. The infield led by Robert Newton, Dan Jones, and Joe Fraser backed up the pitching with some good fielding. NAIA All-American Honorable Mention Cecil Caldwell paced the outfield and led the Cats in hitting.

This year's team, despite having no home diamond and poor practice facilities, has six returning starters off last year's squad and combined with some sharp looking newcomers, will make the Catamounts contenders for the Conference crown again this year.

This year's pitchers include DeWayne Moore, Lon Joyce, Roddey Edwards, Tim Newsom, and Jim Bullins.

# TENNIS

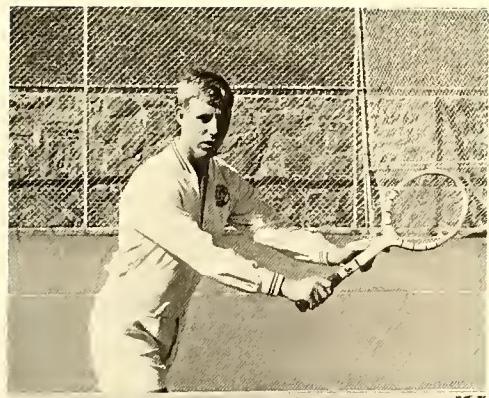

Members of the 1966-67 Tennis team are Nick Kale, John Christensen, Randy Lenier, Bruce Loftin, Herb Bollick; Mr. Dennis McKevin, Eddie Bridges, Van Johnson, Harris Hutto, Mike Green, Bill Ochler.

Pictured above are Nick Kale, co-captain; Mr. Dennis McKevin, coach; and Bruce Loftin, co-captain.

Tennis at Western Carolina College is becoming an important varsity sport. This past season the tennis team played matches with other schools in the Carolinas Conference and competed in the Conference Tournament at Pfeiffer College, Misenheimer, North Carolina. The members of the team practice diligently throughout the season with the Conference Tournament as their goal.

Returning lettermen are Nick Kale, Bruce Loftin, John Christensen, and Herb Bollick so that our tennis team looks like it will have a promising season.

# Special Recognition . . .

to Dr. Cecil W. Mann, Professor of Psychology at WCC since 1961. Dr. Mann's sense of humor, his deep respect for human personalities, and his depth of insight add up to an enriching experience for his students. Dr. Mann's research and studies are known throughout the United States and his native country of Australia.

His retirement at the end of the 1966-'67 school year will mark the 50th anniversary in his career as a Psychologist. The students and faculty will certainly miss his devotion and skill as the Head of the Psychology Department.

# In-Service Program

The In-Service Program originated in 1959 with most of its students commuting from the American Enka Corporation. The program has been expanded in order to serve the industries and businesses of this area and help them up-grade the educational standards of their personnel. However, the In-Service Program is open to anyone who meets the admissions standards.

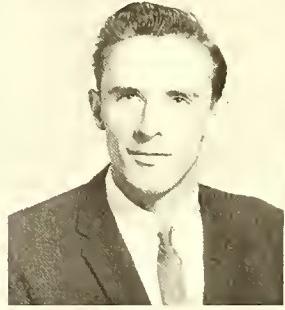

The In-Service Program is established so that two

3-hour courses each eleven weeks quarter are completed on the campus, and one class during the regular school year. Courses on campus in the summer are taught, thus enabling an In-Service student to obtain a B.S. degree in Business Administration within six years.

The In-Service Program has expanded rapidly since its establishment in 1959. This program, the only one of its kind, should prove successful.

## Growth creates opportunities...

The time has come in this young man's life when the cookie jar is within reach, proving that growth (plus ideas and ingenuity) does provide opportunity.

American Enka Corporation offers a special challenge for special people — an environment for growth based on opportunity in a successful, rapidly expanding company. Three new plants are being built, with plans

to spend 90 million dollars total in new facilities. Therefore, Enka is interested in graduates in chemical, mechanical, electrical, textile, and industrial engineering plus those with degrees in chemistry and physics.

If you want to climb for the "cookie jar" you just may find it at Enka. Write: *Employment Manager, American Enka Corporation, Enka, North Carolina.*
